As Stated INFO.

SUPPLEMENT TO REPORT NO.

25X1X

In September 1951, naval maneuvers were held in the waters near Constanta. Six destroyers were visible from the harbor.

- An influx into Constanta of Soviet military personnel, both men and women, was observed by informant during August, September, and October 1951.
- 3. The barracks and forts on the beach in Constanta have been camouflaged to look like bath houses from the sea.
